Worship the King in the beauty of His Holiness!

In His Presence there is fullness of Joy!

A Love Letter from Your Creator...

Think about whatever is honorable, honest and dignified. Think about whatever is lofty, high toned, upright and righteous. Focus your thoughts on what is commendable, acceptable and fair, what is pure and proper. If there be any virtue, if there is any excellence, anything that is beautiful and respected – think on and weight and take into account these things to be your treasures. Cherish the thought of these things. Make them the subject of your careful reflection. Fill your mind with and meditate on these things.

Philippians 4:8 "Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – think about such things" NIV

Happy Birthday!

Congratulations to Pastor Ben who celebrates his birthday on the 14th, we thank the Lord for our Pastor's life! Shaun the 3rd, Sister Mpho the 1st.

If you value the approval of God, fill your mind with those things that are good. Your thoughts must continually dwell on whatever is worthy of reverence. Don't ever stop thinking about what is holy and worthy of praise. Think about all that you can praise God for and be glad about it. Think about what is, truly, worthwhile. Fix your thoughts on all that commands respect and on any moral excellence. Let your mind be filled with whatsoever things are true, all that is pure and is of a good report. Think about all of the fine and good things in others – whatever is lovely and lovable, endearing, friendly, amiable, gracious and pleasing. Think about whatever is kind and winsome and admirable.

To everyone else who celebrates their birthday: May the Lord bless you and keep you, give you the desires of your heart! May you prosper in every area of your life, body, soul and spirit! To everyone who has their wedding anniversary: May the Covenant-keeping God bless your marriage!

Big ups to church

Concerned resident from West Village writes:

I would like to praise Victorious Life Changing Centre for showing and giving love, courage and educating the impoverished squatter people of West Village. Numerous times this church and its congregants gave food and clothes to the needy children at the aforementioned place. Many churches (reverends and pastors) take monies (tithes) of unsuspecting innocent churchgoers and use it for their own consumption to buy expensive designer clothes, posh houses and

cars. This act by these revered pastors is bad because we, when seen tend to not give tithes to our churches and if also repels us from attending churches so as to avoid being ripped off by these churches. The churches are mushrooming in Krugersdorp and surrounding areas but social responsibility is lacking from them due to the selfishness of some pastors around. Big ups to Victorious Life Changing Centre for being exemplary to the other churches.

You are welcome to sow a seed as well as clothing & food towards the Munsiville Outreach on 28/09/2013
